Hi everyone,

See the attached letter from Sierra Club. We received a CC for this, and would like to discuss our response options.

Ex. 5 - Deliberative

You'll see a scheduler from me shortly. I hope we can meet sometime no later than tomorrow afternoon.

Thanks,

Pat

Subject: Town of Eliot, Maine, Clean Air Act Section 126 Petition

Dear Mr. Taylor,

I want to provide you and your client, Public Service of New Hampshire (PSNH), with notice that EPA held a conference call with the town manager of the Town of Eliot, ME, yesterday and a conference call with Sierra Club is scheduled for today regarding the town's Clean Air Act § 126 petition.

As you may know, Sierra Club sent us additional modeling in support of Eliot's petition. My understanding is that the additional modeling has separately been forwarded to your client, PSNH, and a copy of our letter sent in reply to the Sierra Club is attached here for your reference. In addition, Sierra Club requested an opportunity to discuss modeling and other issues with EPA.

The intention of these meetings is to update the respective parties of our progress in responding to the § 126 petition. If PSNH is interested in a similar update, they are free to request one. We would be happy to accommodate.

Jill Metcalf

Senior Assistant Regional Counsel

US EPA Region I

Subject: Eliot Maine's 126 petition

Ida,

Below are topics that Sierra Club would appreciate the opportunity to discuss with the appropriate folks at EPA concerning SO2 pollution from Schiller Station and the Eliot 126 petition.

- Modeling

- o Explanation of SC modeling
- o Technical questions from EPA
- o Further analyses

- Schiller Station regulatory status

- o Title V permit
- o MATs compliance and control permitting
- o Other means for addressing SO2 emissions

- Status of 126 petition

- o Public hearings

- Timing

Please let me know if that sounds feasible.

Thank you again,

-Zack

Subject: Sierra Club letter regarding AERMOD modeling supporting Eliot, Maine's 126 Petition

Dear Regional Administrator Spalding, Air Programs Branch Chief Conroy, Director Wayland, and Gobeail McKinley,

Please find attached a letter from the Sierra Club discussing the modeling underlying the Town of Eliot, Maine's Good Neighbor Petition pursuant to Clean Air Act Section 126, concerning SO₂ emissions from Schiller Station in New Hampshire. Also attached are exhibits 1-3 and 5 to that letter. Exhibit 4, consisting of AERMOD modeling files, is too large to send via email, but all exhibits including Exhibit 4 are available for download at this link: <https://app.box.com/s/fj3021corb36ibwyoh0e>.

As a courtesy, the letter, along with the exhibits thereto, is also being sent to you via U.S. Mail.

The Sierra Club would also like to ensure that we send these materials to the proper people at EPA involved in addressing Eliot, Maine's Section 126 Petition, either at Region 1, OAQPS, or EPA Headquarters--could you confirm that the people addressed in this email are the proper folks for this purpose? Similarly, Sierra Club would like to arrange a meeting with the proper individuals to address these issues further--would that be possible?

Thank you, and please let me know if there is additional information I can provide.

-Zack

Dear Administrator Spalding,

We are writing to request a meeting with you and your staff at your earliest opportunity to discuss the pending Section 126 Petition before the agency as filed by the town of Elliot, ME.

As you are aware, the Sierra Club is monitoring the progress of the petition closely and we are seeking further clarification regarding timeline and next steps for the petition, as well as more information regarding the monitor that EPA plans to place in Elliot.

Additionally, a meeting will provide an opportunity to follow up on some of the issues discussed in our previous meeting, including the timing for the finalization of the Mt. Tom and Merrimack NPDES permits, and EPA's plans for the Schiller draft NPDES permit.

Please advise of possible dates, and we look forward to meeting.

We are writing to request a meeting with you and your staff at your earliest opportunity to discuss the pending Section 126 Petition before the agency as filed by the town of Elliot, ME.

As you are aware, the Sierra Club is monitoring the progress of the petition closely and we are seeking further clarification regarding timeline and next steps for the petition, as well as more information regarding the monitor that EPA plans to place in Elliot.

Additionally, a meeting will provide an opportunity to follow up on some of the issues discussed in our previous meeting, including the timing for the finalization of the Mt. Tom and Merrimack NPDES permits, and EPA's plans for the Schiller draft NPDES permit.

Please advise of possible dates, and we look forward to meeting.

Curt Spalding□

Regional Administrator□

Environmental Protection Agency Region I

5 Post Office Square – Suite 100□

Boston, MA 02109-3912

Dear Administrator Spalding,

We are writing to request a meeting with you and your staff at your earliest opportunity to discuss the pending Section 126 Petition before the agency as filed by the town of Elliot, ME.

As you are aware, the Sierra Club is monitoring the progress of the petition closely and we are seeking further clarification regarding timeline and next steps for the petition, as well as more information regarding the monitor that EPA plans to place in Elliot.

Additionally, a meeting will provide an opportunity to follow up on some of the issues discussed in our previous meeting, including the timing for the finalization of the Mt. Tom and Merrimack NPDES permits, and EPA's plans for the Schiller draft NPDES permit.

Please advise of possible dates, and we look forward to meeting.

Very best regards,

James Bryan McCaffrey

Hi Gobeail and Stephanie,

A meeting between the Region 1 RA and James Bryan McCaffrey, a senior member of Sierra Club, has been set up for 2 pm on Sept 3rd. We've informed our RA's office that OAQPS and OGC must be present for any Eliot 126 discussions.

Who should be invited from your respective teams? I'll follow up with a scheduler.

Subject: Town of Eliot, Maine, Clean Air Act Section 126 Petition

Dear Mr. Taylor,

I want to provide you and your client, Public Service of New Hampshire (PSNH), with notice that EPA held a conference call with the town manager of the Town of Eliot, ME, yesterday and a conference call with Sierra Club is scheduled for today regarding the town's Clean Air Act § 126 petition.

As you may know, Sierra Club sent us additional modeling in support of Eliot's petition. My understanding is that the additional modeling has separately been forwarded to your client, PSNH, and a copy of our letter sent in reply to the Sierra Club is attached here for your reference. In addition, Sierra Club requested an opportunity to discuss modeling and other issues with EPA.

The intention of these meetings is to update the respective parties of our progress in responding to the § 126 petition. If PSNH is interested in a similar update, they are free to request one. We would be happy to accommodate.

Jill Metcalf

Just checking in on the Sierra Club meeting, scheduled for tomorrow at 10:00. I had a couple of questions:

Ex. 5 - Deliberative

Agenda:

,

- Modeling
 - Explanation of SC modeling
 - Technical questions from EPA
 - Further analyses
- Schiller Station regulatory status
 - Title V permit
 - MATs compliance and control permitting

- Other means for addressing SO2 emissions
- Status of 126 petition
 - Public hearings
 - Timing

Subject: Sierra Club letter regarding AERMOD modeling supporting Eliot, Maine's 126 Petition

Dear Regional Administrator Spalding, Air Programs Branch Chief Conroy, Director Wayland, and Gobeail McKinley,

Please find attached a letter from the Sierra Club discussing the modeling underlying the Town of Eliot, Maine's Good Neighbor Petition pursuant to Clean Air Act Section 126, concerning SO2 emissions from Schiller Station in New Hampshire. Also attached are exhibits 1-3 and 5 to that letter. Exhibit 4, consisting of AERMOD modeling files, is too large to send via email, but all exhibits including Exhibit 4 are available for download at this link: <https://app.box.com/s/fj3021corb36ibwyoh0e>.

As a courtesy, the letter, along with the exhibits thereto, is also being sent to you via U.S. Mail.

The Sierra Club would also like to ensure that we send these materials to the proper people at EPA involved in addressing Eliot, Maine's Section 126 Petition, either at Region 1, OAQPS, or EPA Headquarters--could you confirm that the people addressed in this email are the proper folks for this purpose? Similarly, Sierra Club would like to arrange a meeting with the proper individuals to address these issues further--would that be possible?

Thank you, and please let me know if there is additional information I can provide.

Subject: Eliot Maine's 126 petition

Ida,

Below are topics that Sierra Club would appreciate the opportunity to discuss with the appropriate folks at EPA concerning SO2 pollution from Schiller Station and the Eliot 126 petition.

- ☐ Modeling
 - o Explanation of SC modeling
 - o Technical questions from EPA
 - o Further analyses
- ☐ Schiller Station regulatory status
 - o Title V permit
 - o MATs compliance and control permitting
 - o Other means for addressing SO2 emissions
- ☐ Status of 126 petition
 - o Public hearings
 - Timing

Please let me know if that sounds feasible.

Thank you again,

-Zack

Subject: Sierra Club letter regarding AERMOD modeling supporting Eliot, Maine's 126 Petition

Dear Regional Administrator Spalding, Air Programs Branch Chief Conroy, Director Wayland, and Gobeail McKinley,

Please find attached a letter from the Sierra Club discussing the modeling underlying the Town of Eliot, Maine's Good Neighbor Petition pursuant to Clean Air Act Section 126, concerning SO2 emissions from Schiller Station in New Hampshire. Also attached are exhibits 1-3 and 5 to that letter. Exhibit 4, consisting of AERMOD modeling files, is too large to send via email, but all exhibits including Exhibit 4 are available for download at this link: <https://app.box.com/s/fj3021corb36ibwyoh0e>.

As a courtesy, the letter, along with the exhibits thereto, is also being sent to you via U.S. Mail.

The Sierra Club would also like to ensure that we send these materials to the proper people at EPA involved in addressing Eliot, Maine's Section 126 Petition, either at Region 1, OAQPS, or

EPA Headquarters--could you confirm that the people addressed in this email are the proper folks for this purpose? Similarly, Sierra Club would like to arrange a meeting with the proper individuals to address these issues further--would that be possible?

Thank you, and please let me know if there is additional information I can provide.

-Zack

Environmental Protection Agency Region I

5 Post Office Square – Suite 100□

Boston, MA 02109-3912

Dear Administrator Spalding,

We are writing to request a meeting with you and your staff at your earliest opportunity to discuss the pending Section 126 Petition before the agency as filed by the town of Elliot, ME.

As you are aware, the Sierra Club is monitoring the progress of the petition closely and we are seeking further clarification regarding timeline and next steps for the petition, as well as more information regarding the monitor that EPA plans to place in Elliot.

Additionally, a meeting will provide an opportunity to follow up on some of the issues discussed in our previous meeting, including the timing for the finalization of the Mt. Tom and Merrimack NPDES permits, and EPA's plans for the Schiller draft NPDES permit.

Please advise of possible dates, and we look forward to meeting.

Very best regards,

HI. I am doing a story today for our Daily Environment Report and wondered if I could get a comment from EPA regarding a suit filed by Sierra Club against EPA over alleged failure by EPA to grant/deny a permit asking EPA to object to Title 5 permit issued by New Hampshire for the Public Service Company of New Hampshire's Schiller Station – a coal-fired power plant. I am on deadline for today at 4 pm eastern. Thanks! Martha

Vera & Bill,

This is the complaint I think you've been expecting. It looks like it was filed yesterday.

Ex. 5 - Deliberative, Attorney Client

I'll assign this to a staff attorney after I return on January 5. Let's hope we all have a great new year!

Mike

Jill and Vera,

Just an FYI, we received an NOI today from Sierra Club re: Schiller Station Title V petition.
